Instructions on HOW to ADD GUEST Players to Tournament Roster

The PDF in STEP 1 explains how to add guest players to your tournament roster.

If your guest player is coming from a NON-UYSA entity, then you must have a physical player card to accompany the Guest Player Form. Unfortunately, this also requires you to come to the In-Person Tournament Check-in Wednesday, June 28, 2017 6:00-8:00pm at the Ogden School District Gym (1590 Monroe Blvd, Ogden 84401). The gym is located on the SouthWest corner of the School District complex. Examples of players needing a physical player card would be a player registered with AYSO, US Club, or out of state US Soccer organization. If you have ANY questions regarding a guest player, please email League30reg@gmail.com

STEP 3: Tournament Only Player Documentation

If you have a player that isn't registered for the regular gaming league, they are called a tournament only player and are registered to a tournament only team. You will need their player ID number and add them to your tournament roster just like you would a guest player.

If your tournament only player is a UYSA player registered in Affinity, adding them to the Tournament Roster will be satisfactory. You do NOT have to submit a physical player card. Do fill out a Guest Player Form using the following information

- For Current Team - put "Tournament Only Player."
- For Current Team Coach - put the organization the player is registered with as a tournament only player.
- Current Team Coach Signature: leave blank
- Player ID Number: This MUST be filled in

If your tournament only player is registered to a NON - Utah Youth Soccer entity, you will need both a physical player card AND a guest player form. See STEP 2 above. Any questions, please email League30reg@gmail.com

STEP 4: Print your Tournament Roster

The PDF in STEP 1 shows you how to print your Tournament Roster.

You will end up with a photo roster that looks much like a regular game day roster. It will have photos of all your players and up to 4 team coaches/asst coaches.

Best advice of all is NOT TO WAIT until Monday to try to print in case you run into issues that need fixing.

POSSIBLE PROBLEMS:

1. If your club registrar has not ACTIVATED your new 2017-18 team, the system will not allow you to print a tournament roster. Please contact your club registrar for help.
2. If you make roster changes to your roster right before you try to print, you will need to SYNC the roster. On the PLAYER ROSTER tab in the lower left hand corner you will see a SYNC ROSTER button. Click on that.
3. You can always contact AFFINITY for help as well 888.211.3444.

STEP 5: Email your Tournament Roster AND Guest Player Forms to league30reg@gmail.com no later than MIDNIGHT, Monday June 26, 2017

STEP 6: Receive Confirmation Email

By Tuesday, June 27th you will receive a confirmation email confirming your tournament check in.

If for some reason there are any issues regarding your tournament documents, you will be notified via email on what needs to be corrected. If the corrections can be made via email great! If not, you will need to come to the physical tournament check-in Wednesday, June 28, 2017 6:00-8:00pm. See address below.

STEP 7: OPTIONAL - Pick up Coach & Player SWAG at Physical Tourn Check-in

You are welcome to pick up your swag at Physical Tournament Check-in. There is plenty of parking and items will be pre-configured for easy pick up. This is not required however. If you want to totally avoid this extra trip, we will hand deliver your laminated tournament roster and SWAG to your first game.
