### Q: Can a player multi roster for 2017 Ogden Peaks Classic?

Per UYSA Sanctioned Tournament Rule 935.3, a player may only roster with one team in a Tournament.

## Frequently Asked Questions

### **Q: When I am registering my team what division should I select? What do Gold, Silver, and Bronze Divisions mean?**

Gold is our highest level of competition, followed by Silver and Bronze. Gold is for teams that play in the Premier 1 or 2 brackets in competition league play, or the equivalent of Academy A. Silver would be equivalent to Division 1 or 2, Academy B or the second highest level of competition. Bronze would typically be for Division 3 or 4 and below or Academy C, D and below. Putting a division helps us determine where you think you would best fit and will be used in consideration for placement. Our goal is to provide the best competition for everyone in a bracket, but a specific competitive level is not guaranteed.

### **Q: Will I be guaranteed to play in the Division I request?**

Our goal is to place teams in the divisions they request. In fact, if you write in the names of the teams you would like to play for parity and alignment purposes in the comment section of your application, we will do our best to recruit those teams for you to play. In the end, know that the bracket you are assigned is what we feel like will work the best for all the teams involved, but we can't guarantee any specific division request.

### **Q: Can I make special requests for my team schedule?**

Yes. You may add notes to the comments section no later than June 16th if you have a special request.

If you have teams you would like to play in your division for alignment consideration, please include the team names in the Comment section of your tournament application. We will contact the requested opposing teams with an invite to maximize your tournament experience.

For other special requests, please be specific as well as reasonable. We want your tournament experience to be positive and will do our best to accommodate your requests. Given the scope and time constraints of a tournament, we cannot guarantee that all requests can be fulfilled, but we will do our best! Late requests will NOT be accepted or considered.

### **Q: When will I know my team has been accepted to the tournament?**

Each participating team must complete registration online, be accepted by Tournament Registration Director, remit payment (during the online registration process) and check-in with official tournament staff prior to play. When your bracket of play has been created, we will send you an email confirming your acceptance. To complete the process, you will just have to check-in with tournament staff prior to playing. Read below for our tournament check-in procedures.

**A refund will not be given due to inclement weather conditions or any naturally occurring event that requires game cancellation.**
